Are you moving or leaving the Vail School District Next Year?

- ❖ Please contact the front office as soon as you know that your child will be leaving Senita Valley to attend another school next year.
- ❖ A parent/guardian will need to sign a withdrawal form a week before your child's last day. A copy of the form will be given to you to give to the next school.
- ❖ ONE EXCEPTION....a withdrawal form IS NOT required, if the student is finishing the year and then transferring to another Vail School such as RVMS or Cottonwood. However, we still need to know your child is not returning to SVE.
