

ENGINEERING

Day 2017

**Senita Valley's FIRST Engineering Day
will be on Tuesday, December 19**

Each class will be completing the Egg Drop Challenge and build prototypes to safely "land" their eggs on the ground. We are looking for volunteers to come in and assist in building that day.

Also, donations are much needed for each class as listed below.

The Egg Drop challenge will happen on Wednesday, December 20.

Help Support Senita Valley's FIRST Engineering Day

Each class is depending on your donations for their Engineering Day to be a success.

Please send in any of the following items with your child:

cardboard tubes	newspaper	old boxes	popsicle sticks
straws	cotton balls	yarn	tape
empty egg cartons	rubber bands	glue	polyfill stuffing

Please turn in all donations by December 8th
