**A+ School of Excellence™ again!**

The Arizona Educational Foundation created the A+ School Recognition Program in 1983 to celebrate and recognize educational excellence in schools throughout Arizona. A+ schools can reapply every 3 years to maintain their A+ status. After earning this award for the first time in 2014, we reapplied and earned this title again in 2018!

The A+ Program's purpose is threefold:

- to identify and give public recognition to outstanding public schools in Arizona;
- to make available a comprehensive framework of key criteria for school effectiveness that can serve as a basis for participatory self-assessment and planning in schools;
- to facilitate communication and sharing of best practices within and among schools based on a common criteria related to success.
