 - **4th Grade Musical-** Wednesday, March 6th @ 6:30 PM
 - **5th Grade Musical-** Wednesday, May 1st @ 6:30 PM

PowerSchool & Schoology

Why use PowerSchool? To gain access to:

- Your child's grades, assignments, and attendance
- Access the annual returning student registration (i.e. phone numbers, emergency contacts etc.) through the InfoSnap "Returning Student Registration" link within PowerSchool. *This only for students that are returning in the 18/19 school year.*
- Access your child's health information through the "CareDox" link within PowerSchool. We would like parents to update their child's health information via this link in the beginning of each school year

- **Set up your Schoology account. (Parent usernames & passwords for PowerSchool do not work to login to Schoology. You must set up your account first through PowerSchool from a desktop computer.)**
 - Once you are logged into PowerSchool you will see a tab on the top bar with each of your children's names. *Being mindful of which student's tab you* are on then scroll down to the bottom left and click on the Schoology link.

- There will be a red code on the screen.
- Copy it
- Click on the "Click Here" link above the code
- Paste the code in
- Register with your name and info
- Go back to PowerSchool and click on the other child's tab at the top and repeat the process of copying and pasting in that code on the Schoology page
- You have now set up your parent Schoology account.
- **Access Schoology independently of PowerSchool** at <https://app.schoology.com/login>

How to Set Up Your Schoology Parent Account

Schoology is a learning management system where Vail students collaborate with their teachers and each other to extend and enhance their learning.

Student accounts are created automatically, but parent/guardian accounts have to be created manually. We'll outline the process here.

[Click here to go to the Schoology parent registration page](#)

Enter this code **XC R-S X2-W 2F** where it asks for the "Access Code" and press "Continue"

This code is unique to your student, and will link your parent account to their student account. You may wish to simply copy and paste it. This code will also allow multiple parent accounts to be created if necessary (additional parent accounts will need to use a different email address). **NOTE:** Please keep this code safe as it will allow anyone to access your child's Schoology account.

Parents/Guardians of multiple children in the district can access all their children's information under one account.

**Please note that accounts for PowerSchool are still being created for new families.
Thank you for your patience.**

- If you have login questions contact Brenda Ross, Office Manager, at 879-3105 or rossb@vailschooldistrict.org
- If you have questions about how to use or navigate within Schoology, contact Robert Dautrich, Site Tech, dautrichr@vailschooldistrict.org
